*Managing Director*

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the forthcoming Annual General Meeting authorising the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to rule 13.08 and other relevant provisions of the GEM Listing Rules which are set out as follows:

## **1. REGULATIONS OF THE GEM LISTING RULES**

### **(a) Shareholders' approval**

All repurchase of securities on the Growth Enterprise Market (the "GEM") by a company with its primary listing on the GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval in relation to specific transactions.

### **(b) Source of funds**

Any repurchase must be financed out of funds legally available for the purpose in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

### **(c) Trading restrictions**

The shares to be repurchased by a company must be fully paid up. A company is authorised to repurchase on the GEM or on any other stock exchange recognized for this purpose by the Securities and Futures Commission in Hong Kong and The Stock Exchange of Hong Kong Limited (the "Stock Exchange") the total number of shares which represent up to a maximum of 10% of the existing issued share capital of that company or warrants to subscribe for or purchase shares in the company representing up to 10% of the amount of warrants then outstanding at the date of the passing of the relevant resolution granting the repurchase mandate. A company may not issue or announce a proposed issue of new securities of the type that has been repurchased for a period of 30 days immediately following a repurchase of securities whether on the GEM or otherwise (except pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. A company is also prohibited from making securities repurchases on the GEM if the result of the repurchase would be that the number of that company's listed securities which are in the hands of the public would fall below the relevant prescribed minimum percentage for that company as determined by the Stock Exchange. A company may only purchase shares on the GEM if (1) the purchase price is not higher than the latest (or current) independent bid price or the last independent sale

(contract) price quoted or reported on the system (as defined in the Rules of the Stock Exchange), whichever is higher; and (2) the company has not made the opening bid nor any bid in the last 30 minutes before the close of normal trading hours as stipulated in the rules of the Stock Exchange.

**(d) Status of repurchased securities**

The listing of all repurchased securities (whether on the GEM or otherwise) is automatically cancelled and the relative certificates must be cancelled and destroyed. Under the Cayman Islands law, a company's repurchased Shares shall be treated as cancelled and the amount of the company's issued share capital shall be reduced by the aggregate nominal value of the repurchased Shares accordingly although the authorised share capital of the company will not be reduced.

**(e) Suspension of repurchase**

A company shall not purchase its own securities after a price-sensitive development has occurred or has been the subject of a decision until the price-sensitive information is made publicly available. In particular, during the period of one month immediately preceding either the preliminary announcement of a company's annual results or the publication of the company's half-yearly report or quarterly report, a company may not purchase its securities on the GEM unless the circumstances are exceptional. In addition, the Stock Exchange may prohibit repurchases of securities on the GEM if a company has breached the GEM Listing Rules.

**(f) Reporting requirements**

Repurchases of securities on the GEM or otherwise must be reported to the Stock Exchange not later than 9:30 a.m. (Hong Kong time) on the following business day. In addition, a company's annual report and accounts are required to include a monthly breakdown of securities repurchases made during the financial year under review, showing the number of securities repurchased each month (whether on the GEM or otherwise), the purchase price per share or the highest and lowest prices paid for all such repurchases and the total prices paid. The directors' report is also required to contain reference to the purchases made during the year and the directors' reasons for making such purchases. The company shall make arrangements with its broker who effects the purchase to provide the company in a timely fashion the necessary information in relation to the purchase made on behalf of the company to enable the company to report to the Stock Exchange. A company shall procure that any broker appointed by it to effect the purchase of securities shall disclose to the Stock Exchange such information with respect to purchases made on behalf of the company as the Stock Exchange may request.

**(g) Connected parties**

Under the GEM Listing Rules, a company shall not knowingly purchase shares from a connected person (as defined under the GEM Listing Rules) and a connected person shall not knowingly sell his shares to the company.

**2. EXERCISE OF THE REPURCHASE MANDATE**

Exercise in full of the Repurchase Mandate, on the basis of 830,000,000 Shares in issue as at 25 June 2002, the latest practicable date prior to the printing of this circular (the “Latest Practicable Date”) could result in up to 83,000,000 Shares being repurchased by the Company during the period from the passing of resolution No. 5 as set out in the notice of the Annual General Meeting up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or any applicable laws to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in a general meeting, whichever occurs first.

**3. REASONS FOR REPURCHASES**

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

**4. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the applicable laws of the Cayman Islands. The Company may not purchase its own securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

**5. GENERAL**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the 2002 annual report of the Company) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**6. UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

**7. THE HONG KONG CODE ON TAKEOVERS AND MERGERS**

If as a result of a repurchase of shares, a shareholder's proportionate interest in the voting rights of a company increases, such increase will be treated as an acquisition for the purposes of the Hong Kong Code on Takeovers and Mergers (the "Code"). As a result, a shareholder, or a group of shareholders acting in concert (within the meaning under the Code), depending on the level of increase in the shareholder's interests, could obtain or consolidate control of the company and become(s) obliged to make a mandatory offer in accordance with rule 26 of the Code.

As at the Latest Practicable Date, by virtue of the Securities (Disclosure of Interests) Ordinance, Achieve Century Limited and Count Wealth Investments Limited, which are substantial Shareholders of the Company, were interested in 416,769,983 Shares and 119,229,995 Shares, respectively (representing approximately 52.10% and 14.90% of the issued share capital of the Company, respectively). Tipmax Limited and Star Wave Limited were deemed to be interested in 416,769,983 Shares owned by Achieve Century Limited by virtue of their equity interests in Achieve Century Limited. Kong Sun Holdings Limited, Kong Fa Holding Limited and Mr Kong Look Sen were also deemed to be interested in 119,229,995 Shares owned by Count Wealth Investments Limited by virtue of their equity interests in Count Wealth Investments Limited.

In the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the ordinary resolution to be proposed at the Annual General Meeting, the above interests/deemed interests would be increased to approximately 55.58% and 15.96% of the issued share capital of the Company, respectively. Accordingly, no Shareholder will be obliged to make a mandatory offer under rule 26 of the Code.

The Directors have no intention to exercise in full the power to repurchase Shares under the Repurchase Mandate.

**8. SHARE PURCHASE MADE BY THE COMPANY**

No purchases of Shares have been made by the Company since the listing of the Shares on the GEM on 10 May 2002, whether on the Stock Exchange or otherwise.

**9. CONNECTED PERSONS**

As at the Latest Practicable Date and to the best of the knowledge of the Directors having made all reasonable enquiries, none of the Directors or their respective associates (as defined in the GEM Listing Rules) has a present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No connected person (as defined in the GEM Listing Rules) has notified the Company that it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

**10. SHARE PRICES**

The highest and lowest prices at which the Shares were traded on the GEM in May 2002 since the listing of the Shares on the GEM on 10 May 2002 were HK\$0.35 and HK\$0.26 respectively.

**11. PROXY**

A form of proxy for use at the Annual General Meeting is enclosed with this circular. Whether or not you intend to attend the meeting, Shareholders are requested to complete and return the form of proxy to the principal place of business of the Company at 10/F Luk Kwok Centre, 72 Gloucester Road, Wanchai, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the meeting. Completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the Annual General Meeting should the Shareholders so desire.
