CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

INTRODUCTION

The purpose of this circular is to provide you with information regarding certain resolutions to be proposed at the forthcoming AGM for the proposed grant of General Mandate (including the extended General Mandate) and Repurchase Mandate to the Directors, the proposed re-election of the retiring Directors and the notice of the AGM.

LETTER FROM THE BOARD

(1) PROPOSED GRANT OF GENERAL MANDATE TO ISSUE AND REPURCHASE SHARES

The existing general mandate granted to the Directors to allot and issue new Shares and to repurchase Shares at the annual general meeting of the Company held on 4 August 2023 will lapse at the conclusion of the AGM.

At the AGM, ordinary resolutions will be proposed to the Shareholders (a) approving the grant of the General Mandate to the Directors to allot, issue and otherwise deal in the new Shares not exceeding 20% of the total number of issued Shares (excluding treasury shares) as at the date of passing such resolution; (b) approving the grant of the Repurchase Mandate to the Directors to repurchase, inter alia, Shares on GEM of the Stock Exchange, the number of which does not exceed 10% of the total number of issued Shares (excluding treasury shares) as at the date of passing such resolution; and (c) adding to the total number of Shares which may be allotted, issued or dealt in under the General Mandate the number of Shares repurchased by the Company under the Repurchase Mandate.

The General Mandate

Under the General Mandate, the Directors will be given an unconditional general mandate to allot, issue and otherwise deal in the new Shares representing not more than 20% of the total number of issued Shares (excluding treasury shares) as at the date of passing such resolution.

As at the Latest Practicable Date, the Company had an aggregate of 563,649,988 Shares in issue. Subject to the passing of the ordinary resolution for the approval of the General Mandate and assuming that no Shares will be issued or repurchased by the Company between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to allot, issue and deal with up to a maximum of 112,729,997 new Shares.

The Repurchase Mandate

At the AGM, it is also proposed that the Repurchase Mandate be granted to the Directors.

Under the Repurchase Mandate, the Directors will be given an unconditional general mandate to repurchase Shares representing not more than 10% of the total number of issued Shares (excluding treasury shares) as at the date of passing such resolution, on GEM of the Stock Exchange.

LETTER FROM THE BOARD

Subject to the passing of the ordinary resolution for the approval of the Repurchase Mandate and assuming that no Shares will be issued or repurchased by the Company between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to a maximum of 56,364,998 Shares.

The explanatory statement required by the GEM Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out on pages 10 to 15 of this circular.

The Directors wish to state that they have no present intention to repurchase any Shares.

Extension of the General Mandate

Under the extended General Mandate, the Directors would be authorised to exercise the authority to add to the limit under the General Mandate the number of Shares repurchased by the Company pursuant to the Repurchase Mandate.

Effectiveness of General Mandate and Repurchase Mandate

The General Mandate (including the extended General Mandate) and the Repurchase Mandate shall be effective until whichever is the earliest of:

- (a) the conclusion of the next annual general meeting of the Company; or
- (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, or any applicable law of the Cayman Islands to be held; or
- (c) the passing of an ordinary resolution by the Shareholders in a general meeting revoking or varying the authority given to the Directors.

LETTER FROM THE BOARD

(2) RE-ELECTION OF RETIRING DIRECTORS

Pursuant to code provision B.2.2 set out in the Corporate Governance Code contained in Appendix C1 to the GEM Listing Rules, every director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years.

According to Article 87(1), at each annual general meeting, one-third of the Directors for the time being (or, if their numbers is not a multiple of three, then the number nearest to but not less than one-third) shall retire from office by rotation, provided that every Director (including those appointed for a specific term) shall be subject to at least once every three years. A retiring Director shall be eligible for re-election.

According to Article 86(3), any Director appointed either to fill a casual vacancy on the Board or as an additional Director shall hold office only until the first annual general meeting of the Company after his appointment, and shall then be eligible for re-election.

At the forthcoming AGM, Mr. Wu Qiyou and Mr. Lin Yaomin shall retire from their offices at the AGM and, being eligible, will offer themselves for re-election pursuant to Article 87(1) and Article 86(3).

At the AGM, ordinary resolutions will be proposed to re-elect each of Mr. Wu Qiyou and Mr. Lin Yaomin as executive Director/independent non-executive Director (as the case may be).

Details of the Directors who are proposed to be re-elected at the AGM are set out in Appendix II to this circular.

The Board has duly considered the composition of the members of the Board. Mr. Lin Yaomin, the retiring independent non-executive Director, has confirmed his independence with reference to the factors set out in Rule 5.09 of the GEM Listing Rules. The Nomination Committee has reviewed the structure and composition of the Board, the skills, knowledge and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and the independence of the independent non-executive Director. The Nomination Committee has recommended to the Board on re-election of all the retiring Directors at the AGM. The Company considers that Mr. Lin Yaomin is independent in accordance with the independence guidelines set out in the GEM Listing Rules and believes that his academic background and rich experience in the investment and financial industries will bring diversity and new perspectives to the Board for its efficient and effective functioning.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATIONS

The Directors consider that (i) the proposed grant of the General Mandate (including the extended General Mandate) and the Repurchase Mandate; and (ii) the proposed re-election of the retiring Directors are in interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the relevant resolutions to be proposed at the forthcoming AGM.

GENERAL

As at the Latest Practicable Date, to the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, none of the Directors, or the controlling Shareholder or their respective close associates had any interests in a business which competes or may compete with the business of the Group and have any other conflicts of interest with the Group.

Your attention is also drawn to the additional information set out in the appendices to this circular.

This circular is in English and Chinese. In case of any inconsistency, the English version shall prevail.

By order of the Board
Good Fellow Healthcare Holdings Limited
Ng Chi Lung
Chairman and Executive Director

This is an explanatory statement given to all Shareholders relating to the resolution to be proposed at the AGM authorising the Repurchase Mandate. It contains all the relevant information required pursuant to Rule 13.08 of the GEM Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 563,649,988 Shares of HK\$0.05 each and the Company did not have any treasury shares.

Subject to the passing of the resolution in relation to the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 56,364,998 Shares, representing approximately 10% of the total number of issued Shares (excluding treasury shares).

2. EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 563,649,988 Shares in issue as at the Latest Practicable Date, would result in 56,364,998 Shares being repurchased by the Company during the period from the date of the passing of the resolution approving the Repurchase Mandate and up to (i) the conclusion of the next annual general meeting of the Company after the AGM; (ii) the expiration of the period within which the next annual general meeting of the Company after the AGM is required by the Articles of Association or the Companies Act or any other applicable laws of the Cayman Islands to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in a general meeting, whichever occurs first.

3. REASONS FOR REPURCHASES

Although the Directors have no present intention to repurchase any Shares, they believe that the Repurchase Mandate will provide the Company with the flexibility to make such repurchases as and when appropriate and is beneficial to the Company and the Shareholders as a whole. When exercising the Repurchase Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the repurchase, resolve to cancel the shares repurchased following settlement of any such repurchase or hold them as treasury shares. Shares repurchased for cancellation may, depending on market conditions and funding arrangements at the relevant time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share. On the other hand, Shares repurchased and held by the Company as treasury shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the GEM Listing Rules, the Articles of Association, and the laws of the Cayman Islands. Share repurchase will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchase of Shares will be funded out of funds legally available for such purpose in accordance with the memorandum of association of the Company, the Articles of Association, the GEM Listing Rules, the applicable laws and regulations of the Cayman Islands, and any other applicable laws. The Directors proposed that the repurchase of Shares under the Repurchase Mandate would be financed by the Company's internal resources.

The Company may not purchase its own securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange in force from time to time.

5. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or the gearing position of the Group as compared with the position disclosed in the audited financial statements for the year ended 31 March 2024, being the date to which the latest published audited consolidated financial statements of the Company were made up, in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as it would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or on the gearing positions which in the opinion of the Directors are from time to time appropriate for the Group. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then prevailing.

6. SHARE PRICES

The highest and lowest prices at which Shares have been traded on GEM in each of the past twelve months preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2023		
June	0.220	0.170
July	0.255	0.160
August	0.280	0.190
September	0.295	0.100
October	0.156	0.107
November	0.305	0.200
December	0.300	0.210
2024		
January	0.315	0.230
February	0.260	0.220
March	0.240	0.200
April	0.310	0.091
May	0.188	0.107
June	0.270	0.176
July (up to the Latest Practicable Date)	0.270	0.229

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Hong Kong and in accordance with the regulations set out in the memorandum of association of the Company, the Articles of Association and also any applicable laws of the Cayman Islands.

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquires, any of the close associates of any of the Directors has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders at the AGM, to sell any Shares to the Company.

The GEM Listing Rules prohibit the Company from knowingly purchasing its securities on GEM from a “core connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective close associates and a core connected person is prohibited from knowingly selling to the Company his/her/its securities of the Company.

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell any Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares.

The Company confirms that neither explanatory statement nor the Repurchase Mandate has unusual features.

8. THE HONG KONG CODE ON TAKEOVERS AND MERGERS

If as a result of a Share repurchase pursuant to the Repurchase Mandate, a shareholder’s proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.
