CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

Conditions of the Share Consolidation

The implementation of the Share Consolidation is conditional upon:

- (i) the passing of ordinary resolution(s) at the EGM of the Company by the Ordinary Shareholders and the CP Shareholders (as appropriate) to approve the Share Consolidation; and
- (ii) the Listing Division of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Ordinary Shares and the Consolidated Ordinary Shares falling to be issued upon exercise of the conversion rights attaching to the Share Options, the Consolidated CP Shares and the Convertible Note;

As at the Latest Practicable Date, none of the above conditions has been fulfilled.

Listing application

Application has been made to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Ordinary Shares and Consolidated Ordinary Shares falling to be issued upon exercise of the conversion rights attaching to the Share Options, the Consolidated CP Shares and the Convertible Note.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or, under contingent situation, such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

None of the securities of the Company is listed or dealt in on any other stock exchange other than the Stock Exchange and no such listing or permission to deal is being or is proposed to be sought.

The Share Consolidation will be conducted in accordance with the provisions in the articles of association of the Company.

LETTER FROM THE BOARD

Change of board lot size

As at the Latest Practicable Date, the Ordinary Shares are traded in board lots of 20,000 Ordinary Shares. Following the Share Consolidation, it is proposed that the Consolidated Ordinary Shares will be traded in board lots of 4,000 Consolidated Ordinary Shares.

Based on the closing price of HK\$0.069 per Ordinary Share as at the Latest Practicable Date, the value of each board lot of 4,000 Consolidated Ordinary Shares, will be HK\$2,760 which is approximately 2 times the market value of the existing board lot.

Arrangement on odd lot trading

In order to alleviate the difficulties arising from the existence of odd lots of Consolidated Ordinary Shares, the Company has appointed KGI Asia Limited, as an agent to provide matching service, on a best efforts basis, for the sale and purchase of odd lots of Consolidated Shares arising from the Share Consolidation.

Shareholders who wish to take advantage of this facility should contact Mr. Lo Ka Kuen of KGI Asia Limited at telephone number (852) 2878-4384 during office hours. Shareholders should note that successful matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Please refer to the section headed “EXPECTED TIMETABLE” on pages 4 to 5 of this circular for the period during which the Company will provide matching service for the sale and purchase of odd lots of the Consolidated Shares.

Status of the Consolidated Ordinary Shares

The Consolidated Ordinary Shares will rank pari passu in all respects with each other and the Share Consolidation will not result in any change in the relative rights of the Ordinary Shareholders. Fractional Consolidated Ordinary Shares will not be issued by the Company to Ordinary Shareholders. Any fractional entitlement to the Consolidated Ordinary Shares will be aggregated, sold and retained for the benefit of the Company.

LETTER FROM THE BOARD

Reasons for the Share Consolidation

The proposed Share Consolidation will increase the nominal value of the Ordinary Shares and reduce the total number of Ordinary Shares currently in issue. As such, the transaction and handling costs of the Company in relation to the dealing in the Consolidated Ordinary Shares are expected to be reduced, which will be beneficial to the Company. Moreover, as the market value of each board lot upon the Share Consolidation becoming effective will be higher than the market value of each existing board lot, the transaction cost as a proportion of the market value of each board lot will be lower. It is expected that the liquidity in trading of the Ordinary Shares will increase accordingly and the market value of the Ordinary Shares will be more precisely reflect the intrinsic value of the Company. Accordingly, the Board is of the view that the Share Consolidation is beneficial to the Company and the Ordinary Shareholders as a whole.

Save for the necessary professional expenses for the implementation of the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operation, management or financial position of the Company and the interests and rights of the Ordinary Shareholders.

Exchange of certificate for Consolidated Ordinary Shares

Subject to the Share Consolidation becoming effective, which is currently expected to be 10 December 2010, being the business day immediately after the date of the EGM, Ordinary Shareholders may on or after 10 December 2010 and until 4:00 p.m. on 18 January 2011 (both days inclusive), submit their existing share certificates in purple for the Ordinary Shares to the Registrar for exchange for share certificates in blue for the Consolidated Ordinary Shares at the expense of the Company.

Ordinary Shareholders should note that after the prescribed time for free exchange of share certificates, a fee of HK\$2.50 (or such higher amount as may from time to time be allowed by the Stock Exchange) will be payable by the Ordinary Shareholders to the Registrar for exchange of share certificates.

With effect from 17 January 2011, trading will only be in Consolidated Ordinary Shares which share certificates will be issued in blue. The Consolidated Ordinary Shares are to be consolidated on the basis of ten (10) existing Ordinary Shares to one (1) Consolidated Ordinary Share. Existing share certificates in purple for the Ordinary Shares will cease to be valid for trading and settlement purpose, but will remain valid and effective as documents of title.

LETTER FROM THE BOARD

The notice convening the EGM is set out on pages 13 to 14 of this circular. At the EGM ordinary resolution will be proposed to approve the Share Consolidation. A form of proxy for use at the EGM is also enclosed with this circular. To be valid, the enclosed form of proxy, together with any power of attorney or other authority under which it is signed must be completed in accordance with the instructions printed thereon and delivered to the head office and principal place of business of the Company in Hong Kong at 19/F, New Wing, 101 King's Road, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the EGM or any adjourned meeting. The completion and return of the form of proxy will not preclude you from attending and voting at the EGM or any adjourned meeting in person if you so wish.

No Shareholder has any material interest in the Share Consolidation. Therefore no Shareholder is required to abstain from voting at the EGM in respect of the resolution to approve the same.

RECOMMENDATIONS

The Directors consider that the Share Consolidation is in the interests of the Company and the Shareholders as a whole and recommend the Shareholders to vote in favour of the relevant ordinary resolution at the EGM.
