References are made to the circular (the “Circular”) of Hua Xia Healthcare Holdings Limited (the “Company”) dated 19 August 2013 and the announcements of the Company dated 16 September 2013, 19 September 2013, 30 September 2013, 7 October 2013, 10 October 2013 and 27 January 2014 (the “Announcements”) respectively in relation to, among other things, the Proposed Spin-off and the Distribution. Capitalised terms used herein shall have the same meanings as those defined in the Circular unless the context otherwise required.

The Board wishes to inform the Shareholders and potential investors that the Group is expected to record a lowered profit attributable to the Shareholders of about 40% to 60% less for the year ended 31 March 2014 compared to that of the year ended 31 March 2013, which is mainly due to (i) proportionate reduction of the Company’s equity interest in the pharmaceutical wholesale and pharmaceutical retail business operated under the Wanjia Group (from 100% to approximately 63.53% immediately upon completion of the Distribution on 10 October 2013) which in turn results in reduction of the profit attributable to the Shareholders; (ii) the increase of expenses incurred for the Proposed Spin-off and the Distribution, and (iii) the loss on early redemption of promissory note.

The information contained in this announcement is only based on the preliminary assessment by the management of the Company of the unaudited consolidated management accounts of the Group for the year ended 31 March 2014 and is not based on any figure or information which has been audited or reviewed by the Company’s auditors and the audit committee of the Company. The Company is in the process of finalising the annual consolidated results of the Group for the year ended 31 March 2014. Details of the Group’s financial information and performance will be disclosed when the Group’s annual consolidated results for the year ended 31 March 2014 are announced, which is expected to be on 25 June 2014.
