Supplementary opinion by the Independent Board Committee

Having reviewed the 2017/2018 Annual Results Announcement, and having considered the supplementary opinion by the Independent Financial Adviser as set out above, the Independent Board Committee considers that there is no change in its opinion provided in the Letter from the Independent Board Committee as contained in the Composite Document.

The Independent Shareholders who are considering to realise all or part of their holdings in the Shares, they should monitor the Share price movement until near the end of the Offer Period. If the net proceeds from the sale of the Shares in the open market after deducting all transaction cost would exceed the net amount receivable under the Share Offer, the Independent Shareholders should consider selling their Shares in the market, rather than accepting the Share Offer.

Notwithstanding the Independent Board Committee's recommendation, the Independent Shareholders and Optionholders should consider carefully the terms and conditions of the Offers. In any case, the Independent Shareholders and the Optionholders are strongly advised that the decision to realise or to hold their investment is subject to individual circumstances and investment objectives. If in doubt, the Independent Shareholders and the Optionholders should consult their own professional advisers for professional advice.
